Jericho with JBD Construction was very professional and timely with our siding repair even in the freezing cold! We got a corner piece of siding done after we had a goose run straight into it and made a decent-sized hole, looks great now!

**ALFREDO Z.**  
SIDING REPAIR CUSTOMER

JBD Construction was fast with fixing the fascia on our roof and some siding. The wind blew a few pieces off and they were able to reuse those pieces and repair the fascia and siding. The guys were super friendly. They were able to come out the same day to knock out the repair. Will definitely use them again if needed.

**TIFFANY C.**  
RESIDENTIAL ROOFING CUSTOMER

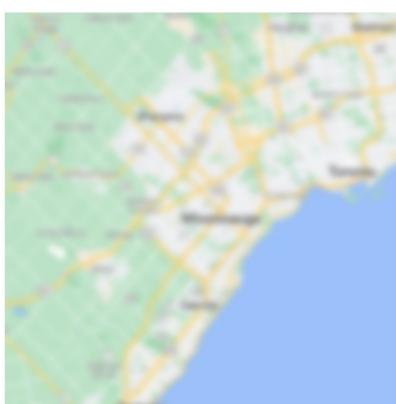

I can't say this roof is skilled, but the customer communication was excellent, ensuring the way.
